

46,000 SF building leased

After 59 years in business, Bruno's Furniture Store and warehouse is making way for a new furniture store. Marquis Furniture has leased the 46,000 square foot property on the corner of NW 36th Street and North Western in Oklahoma City, and intends to open a Hoffman Furniture Store.

According to Don Faulkner, Wiggin Properties leasing agent for the transaction, "The space is ideally suited for a furniture store. The transaction benefited all those involved". For additional information regarding this, or other, transactions, please contact Don Faulkner with Wiggin Properties at 842-0100.
