

Lesli Leggett

Vice President Property Management

As the Vice President of Property Management, Lesli Leggett is responsible for overseeing the management of more than 1.6 million square feet of office, retail, medical, mixed-use residential and industrial space in three states.

In this position, she oversees the administration, operation, and management of properties for Wiggin Properties' clients. Her responsibilities include operational management for cash flow and long-term investment returns, hands-on asset management including capital expenditure planning and supervision of tenant and capital improvement projects, tenant relations and marketing.

Lesli has more than 20 years of experience managing commercial properties. She first joined Wiggin Properties in 1992 as an assistant property manager, working on six suburban office buildings. In 1998 she moved to Denver, where she worked for Equity Office Properties and managed the marketing and leasing budgets for assets totaling 11 million square feet. She rejoined Wiggin Properties in 2004, as Senior Property Manager and was promoted to her current position in 2015.

Leggett is a graduate of the University of Central Oklahoma with a degree in business administration. She earned the Real Property Administrator (RPA) Designation from the building owners and managers institute in 1997. Leggett holds an Oklahoma Sales Associate Real Estate License.
