

### Michael Raff

Michael Raff is one of the longest serving brokers at Wiggin Properties. He specializes in the industrial market where he provides real estate solutions to clients seeking to purchase, sell, market and lease commercial real estate. He assists clients with site selection, market knowledge, and offering solutions for the acquisition and disposition of commercial real estate.

Michael's prior experience working for a Fortune 500 logistics company allows him a unique industrial market advantage in understanding supply chain, warehousing, manufacturing and transportation needs for his clients.

Michael has earned several sales awards over the years, including the "Top Dog" and "Presidents Award" which are given to the top advisor each year. Michael has been part of the commercial real industry estate in Oklahoma City for 13 years.

Michael lives in Edmond, Oklahoma with his wife and three sons. He is a graduate of Oklahoma State University where he earned a degree in Business Administration. Michael enjoys spending time with his family, running, live music, the outdoors and playing golf.
